Educational Services Guide:

1. The General Department for Education, Youth and Sport will inform the extracurricular institutions (Children's Creation Centers) about the Temporary Refugee Placement Centers, the location and number of refugee children placed in the placement centers.
2. The heads of the Creative Centers shall inform the Placement Centers about the offer of the educational services provided.
3. The activities will take place inside the Temporary Refugee Placement Centers.
4. The schedule hours will be coordinated with the heads of the Temporary Refugee Placement Center and modified as necessary, depending on requests.
5. The General Department for Education, Youth and Sport will provide all the necessary teaching materials for the implementation of the activities and circle classes.
6. Depending on the flow of refugees and the number of Temporary Accommodation Centers for Refugees, the numbers of activities and circle hours might changed.
